# PARTING THOUGHTS

 #GHC18

Know your network: you can't protect what you don't know is there! - Meg Layton

✓ Ransomware - Extortion by any other name! - Tim Gallo

You must understand the role each of us play in the cybersecurity arena! - Amelia Estwick

Defense in depth must include defenses for both the simple and complex attacks as well as the new AND the old hacks - Just secure it! - Michele D. Guel

Security is everyone's responsibility. - Amy Twum-Barimah
